

# GYNECOLOGICAL EXAMINATION TRAY

## Provides All Components Necessary for Conventional Gynecological Examination.

Serves both the gynecologist and the patient.  
**Cross-infection between patients can be caused by the re-use of instruments or even from the re-use of standard paper chair covers.**

### Tray Components:

- ❖ **ABSORBENT POLY-BACKED DRAPE** -for spreading on the seating area for the patient.
- ❖ **GYNIDRAPE™** -  
Patented apron for covering the patient, ensures maximum protection and modesty, serving also as a sterile field.
- ❖ **SPECULUM**, disposable, soundless, comfortable.
- ❖ **LATEX GLOVES**.
- ❖ **PEDICAT™** - for aseptic lubrication of speculum & gloves.
- ❖ **ALCOHOL SWAB** to clean instruments.
- ❖ **WASTE DISPOSAL BAG**.
